Hello Parents,

Welcome to **Forest Park High School**, where our vision is to be a school of excellence that prepares ALL students to live and compete successfully in a global society. My name is Tina Mehler; I am the Parent/Community Liaison for Forest Park High School. My role in this school is to offer support to parents and to provide you with informational support and community resources. My goal is to strengthen the partnership between you and your child's school.

I am excited to begin a new school year and I wanted to let you know that our **Parent Information and Resource Center located in Room 302**, is open and available for you to use from **9:00 AM until 4:00 PM, Monday through Friday, when school is in session**. The Parent Information and Resource Center offers valuable parenting and volunteer information, monthly calendars, academic brochures, employment resources and a Parent Lending Library for your use. Additionally, there is educational and community information to assist you and keep you informed. There are computers available so that you can access the **Infinite Campus Parent Portal to view your child's grades online**. Information regarding school events and parent academic workshops and meetings will be posted in the resource center on an ongoing basis.

Please stop by the Parent resource and Information Center when time permits. As your parent Liaison I will offer continuous help and support. Dear Parent(s)/Guardian(s):

At **Forest Park High School**, we are very proud of our teachers. We feel they are ready for the coming school year and are prepared to help your child do their best in school. As a Title I school, we are required by federal law, the Elementary and Secondary Education Act of 1965 (ESEA), to let you know about your child's teachers' qualifications. It is your right to request the following information about your child's teachers' training and credentials:

- Whether the teacher met the state requirements from the Georgia Professional Standards Commission for certification for the grade level and subject area which they teach;
- Whether the teacher is teaching under an emergency or other temporary status through which Georgia qualifications or certification criteria have been waived;
- What undergraduate or graduate degree(s) the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration; and
- Whether your child is provided services by paraprofessionals, and if so, their qualifications.

Please know that our staff is committed to helping your child reach his or her highest academic potential throughout their school career. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and are providing quality instruction to your child.

If you wish to request information concerning your child's teachers' qualifications, please contact me, **Derrick Manning**, your child's principal, by phone at (770) 473-2775 or by email at derrick.manning@clayton.k12.ga.us.

Thank you for your interest and involvement in your child's education.

Sincerely,

Derrick C. Manning
Principal
