Title 1 Parent and Family Engagement Budget Survey Forest Park High School

September 19, 2017

Dear Parents,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parental Involvement money. Over the last few weeks, our school held various meetings with parents to revise our school’s parental involvement policy for next school year. We hope you had the chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents stated that they like having a FPHS Parent and Community Engagement Liaison who is a liaison for them and provides parent and family engagement opportunities at the school.
2. Parents have asked to continue to have a Parent Resource Center at the school where they can meet and learn how to better support their child’s learning,
3. Parents asked for continued Parent Academy Workshops and instructional resources on how to help their child at home.
4. Parents stated they would like to have workshops about how they can help their child in math and with homework.

We have \$6,958.00 in the Title I -1% Parental Involvement Budget. **Last year**, we spent the money this way:

Amount Spent (in percent)	2016-2017 – 1 % Parental Involvement Budget
30%	Provision of materials to support instruction at home
8%	Provision of workshops focused on instruction and curriculum for your student
12%	Provision of workshops that explain how to collaborate and partner with the community
50%	Personnel to support communication between school and home

“A Higher Perspective of Excellence”

This year, given our parents' request to continue to have a space where they can meet and learn how to better support their child's learning, we would like to continue to maintain the Parent Resource Center with instructional resources and materials for Parent's use at FPHS. Additionally, we will continue to maintain personnel to support communication between school and home and conduct academic workshops for parents, as requested. We would like to spend the Title I Parental Involvement Budget this way.

Do you agree with how we have budgeted parental involvement funds for this school year?
